Please complete and mail or deliver to above address. This information is confidential and will not be shared with any third party.

Section I: FINANCIAL AID INFORMATION

Financial aid is awarded based on family need, student desire to participate in SecondStory Conservatory programs, and family commitment to punctual attendance to all programs for which the student is receiving financial aid. Applicants will receive a response within two (2) weeks of submission. Financial aid may be granted in the form of scholarships, work-study, or a combination of both.

Scholarships will be granted to those families who demonstrate a strong financial need and who would be otherwise unable to participate in our classes. All families, with exceptions granted only in the most extreme cases, will be required to pay a minimum of 20% of tuition costs. Because of budget limitations, we are usually only able to cover one class per student per session.

Work-study positions will be offered to those students or families who would like the opportunity to work for the theater in exchange for partial tuition. Families or students with greater financial need are generally given priority for work-study positions. Duties will be assigned based on interest in and suitability for specific projects. Work-study duties may be completed by students ages 12 and up. In the case of younger students, a parent or guardian may complete the duties on behalf of the student. The number of hours and specific duties will be assigned within the Work-Study Agreement, signed and completed by the worker and Education Director.

This is not a registration form. If you have not already registered for your intended program, please complete and submit your registration online, by phone or in person at the earliest possible date.

Section II : PERSONAL STATEMENT

Parents: for students age 8 and over, please allow your child to respond in their own words. Responses should be at least 1 paragraph for each question. Attach your typed responses to this form.

1. Why do you wish to enroll in SecondStory Conservatory? What do you hope to gain by participating in this program?
2. What has been your experience and background in theater both on and off stage?

Section III : FAMILY COMMITMENT

We understand that in order to truly benefit from SecondStory Conservatory’s instruction, students must attend all rehearsals and classes in a punctual manner, having completed all necessary preparation or at-home practice required by their instructors. We further understand that this is not possible without the support and involvement of the student’s family. We commit to ensuring that should the applicant receive SSC Financial Aid, s/he will make every possible effort to attend all classes, rehearsals, and performance calls punctually, with all outside preparation completed.

We understand that if the student has 3 or more tardy arrivals and/or unexcused absences, s/he will be dropped from the class roster. Student must give two (2) weeks’ notice for any planned non-emergency absences. Emergency absences may be excused for illness or death in the family. **The Education Director must be notified via email of any scheduled or emergency absences.**

We commit to facilitating the student’s growth as an artist. We understand that the study of theater requires individual practice and study outside of rehearsal/class hours. We understand that if the student repeatedly falls behind on memorization deadlines or comes to class without having completed assigned homework or exercises, s/he will be required to have a disciplinary meeting with the Education Director and/or their instructor to discuss the issue. If the issues persist after the disciplinary meeting, the student will be dropped from the class roster.
